quick reply

--icons for user:  
done  
edit  
delete  
\*for followers, the usual  
Relist, etc icons will show  
instead

**My KiqList +** All | Done

1. **Go sky diving** 50 Relisted 35 Done  
*I wanna go this year...*

2. **Go to Egypt** from Alex  
*I wanna go to Egypt...*

--icons show on hover

--when goal is marked as done

--relisted icon will show if relisted from someone

--thumbnails of uploaded photos (if any)

if a goal is done, thumbnails of the uploaded photos (if any) will show and clicking them will link you to the post

## Icons:

Relist

Done (i've done this)

Cheer (instead of "Like")

Bump (to make a goal popular)

--depending if complicated, this feature is not priority
